

Onsite Branding Opportunities

Show Totes

This sponsorship places your brand on the official buyer totes used throughout the show, giving you continuous visibility as attendees move across the show floor.

Buyer totes are carried from booth to booth, used to hold catalogs, materials, and purchases, and frequently reused after the event. As a functional, high-visibility item, tote sponsorship offers repeated exposure in a highly targeted environment and remains one of the most effective ways to keep your brand visible during and beyond the show.
