Catalog & Literature Distribution

Due Dates for Fall 2026

Ship materials in time to arrive at the warehouse during our no-surcharge delivery window of July 23 - August 14, 2026.

First day freight can arrive at the event site: Tuesday, August 18.

Promote your brand directly to buyers by handing out your catalogs or literature at the show entrance, plus displaying them in the Buyer's Café literature rack. This option allows exhibitors to personally place materials into buyers' hands as they arrive and maintain visibility throughout the day in the high-traffic café area.
