

Onsite Branding Opportunities Pens

This sponsorship places your branded pens directly into the hands of show attendees for use throughout education sessions and on the show floor. Pens are used repeatedly during note-taking, order writing, and conversations, making them a simple but effective way to keep your brand visible in a practical, everyday context.

As a sponsor-provided item, this opportunity offers high-frequency exposure with minimal friction.

Please arrange for your pens to be produced and shipped according to the instructions below.
